<b>AGREEMENT</b>																																					
I, the undersigned property owner, request access and permission to construct driveway(s) or street(s) on public right-of-way at the above location. I agree to construct and maintain driveway(s) or street entrance(s) in absolute conformance with the current "Policy on Street and Driveway Access to North Carolina Highways" as adopted by the North Carolina Department of Transportation. I agree that no signs or objects will be placed on or over the public right-of-way. I agree that the driveway(s) or street(s) will be constructed as shown on the sketch on (the reverse side) (the attached plans). I agree that that driveway(s) or street(s) as used in this agreement include any approach tapers, storage lanes or speed change lanes as deemed necessary. I agree that if any future improvements to the roadway become necessary, the portion of driveway(s) or street(s) located on public right-of-way will be considered the property of the North Carolina Department of Transportation, and I will not be entitled to reimbursement or have any claim for present expenditures for driveway or street construction. I agree that this permit becomes void if construction of driveway(s) or street(s) is not completed within the time specified by the "Policy on Street and Driveway Access to North Carolina Highways". I agree to pay an installation fee for pipe installed by the Division of Highways or pay a \$50 inspection fee for installation by others. Make checks payable to NCDOT. The inspection fee will be reimbursed if application is denied. I agree to construct and maintain the driveway(s) or street(s) in a safe manner so as not to interfere with or endanger the public travel. I agree to provide during construction proper signs, signal lights, flaggers and other warning devices for the protection of traffic in conformance with the current "Manual on Uniform Traffic Control Devices for Streets and Highways" and Amendments or Supplements thereto. Information as to the above rules and regulations may be obtained for the Division Engineer. I agree to indemnify and save harmless the North Carolina Department of Transportation from all damages and claims for damage that may arise by reason of this construction. I agree that the North Carolina Department of Transportation will assume no responsibility for any damages that may be caused to such facilities, within the highway right-of-way limits, in carrying out its construction. I agree to provide a Performance Bond in the amount specified by the Division of Highways for any construction proposed on the State Highway system. <b>I AGREE TO NOTIFY THE DISTRICT ENGINEER WHEN THE PROPOSED WORK BEGINS AND WHEN IT IS COMPLETED.</b>
